The race day schedule is a guide for the day. Tri-C will run the race day as efficiently as possible for all run groups and will run classes ahead of the posted time if possible. Some run groups may be combined based on specific class entry numbers. Please pay attention to the PA announcements as run groups are called to the grid. If your kart will be delayed getting to Grid A, the driver or a driver representative must inform the Grid Steward of the delay. The Grid Steward has the discretion to hold the release of karts for the next session until the delayed kart has arrived within a reasonable amount of time.
